7 *Attorney for Plaintiff*

8 IN THE UNITED STATES DISTRICT COURT FOR THE
9 CENTRAL DISTRICT OF CALIFORNIA

10 INGENUITY13 LLC,
11 Plaintiff,
12 v.
13 JOHN DOE
14 Defendant.

CV12-7386 DMG (JEMR)

Judge:

COMPLAINT

DEMAND FOR JURY TRIAL

15
16 Plaintiff Ingenuity13 LLC ("Plaintiff"), through its undersigned counsel, hereby files this
17 Complaint requesting damages and injunctive relief, and alleges as follows:

18 **NATURE OF THE CASE**

19 1. Plaintiff files this action for copyright infringement under the United States Copyright
20 Act and related contributory infringement and negligence claims under the common law to combat
21 the willful and intentional infringement of its creative works. Unidentified Defendant John Doe
22 ("Defendant"), whose name Plaintiff expects to ascertain during discovery, knowingly and illegally
23 reproduced and distributed Plaintiff's copyrighted Video by acting in concert with others via the
24 BitTorrent file sharing protocol and, upon information and belief, continues to do the same. In using
25 BitTorrent, Defendant's infringement actions furthered the efforts of numerous others in infringing on
26 Plaintiff's copyrighted works. The result: exponential viral infringement. Plaintiff seeks a permanent
27
28

1 injunction, statutory or actual damages, award of costs and attorney's fees, and other relief to curb
2 this behavior.

3 **THE PARTIES**

4 2. Plaintiff Ingenuity13 LLC is a limited liability company organized and existing under
5 the laws of the Federation of Saint Kitts and Nevis. Plaintiff is a holder of rights to various
6 copyrighted works, and is the exclusive holder of the relevant rights with respect to the copyrighted
7 creative work at issue in this Complaint.
8

9 3. The copyrighted work at issue in this complaint is one of Plaintiff's adult
10 entertainment videos, "Teen Sex First Anal" (the "Video").

11 4. Defendant's actual name is unknown to Plaintiff. Instead, Defendant is known to
12 Plaintiff only by an Internet Protocol address ("IP address"), which is a number assigned to devices,
13 such as computers, that are connected to the Internet. In the course of monitoring Internet-based
14 infringement of its copyrighted content, Plaintiff's agents observed unlawful reproduction and
15 distribution occurring over IP address 108.38.135.253 via the BitTorrent file transfer protocol.
16 Plaintiff cannot ascertain Defendant's actual identity without limited expedited discovery.
17

18 **JURISDICTION AND VENUE**

19 5. This Court has subject matter jurisdiction over Plaintiff's copyright infringement
20 claim under 17 U.S.C. §§ 101, *et seq.*, (the Copyright Act), 28 U.S.C. § 1331 (actions arising under
21 the laws of the United States), and 28 U.S.C. § 1338(a) (actions arising under an Act of Congress
22 relating to copyrights). This Court has supplemental jurisdiction over Plaintiff's contributory
23 infringement and negligence claims under 28 U.S.C. § 1367(a) because they are so related to
24 Plaintiff's copyright infringement claim, which is within this Court's original jurisdiction, that the
25 claims form part of the same case and controversy under Article III of the United States
26 Constitution.
27
28

1 then performs similar transfers. The one-to-one whole file transfer method can significantly delay
2 the spread of a file across the world because the initial spread is so limited.

3 11. In contrast, the BitTorrent protocol is a decentralized method of distributing data.
4 Instead of relying on a central server to distribute data directly to individual users, the BitTorrent
5 protocol allows individual users to distribute data among themselves. Further, the BitTorrent
6 protocol involves breaking a single large file into many small pieces, which can be transferred much
7 more quickly than a single large file and, in turn, redistributed much more quickly than a single large
8 file. Moreover, each peer can download missing pieces of the file from multiple sources—often
9 simultaneously—which causes transfers to be fast and reliable. After downloading a piece, a peer
10 automatically becomes a source for the piece. This distribution method contrasts sharply with a one-
11 to-one whole file transfer method.
12

13 12. In BitTorrent vernacular, individual downloaders/distributors of a particular file are
14 called peers. The group of peers involved in downloading/distributing a particular file is called a
15 swarm. A server which stores a list of peers in a swarm is called a tracker. A computer program that
16 implements the BitTorrent protocol is called a BitTorrent client. Each swarm is unique to a particular
17 file.
18

19 13. The BitTorrent protocol operates as follows. First, a user locates a small “torrent” file.
20 This file contains information about the files to be shared and about the tracker, the computer that
21 coordinates the file distribution. Second, the user loads the torrent file into a BitTorrent client, which
22 automatically attempts to connect to the tracker listed in the torrent file. Third, the tracker responds
23 with a list of peers and the BitTorrent client connects to those peers to begin downloading data from
24 and distributing data to the other peers in the swarm. When the download is complete, the BitTorrent
25 client continues distributing data to other peers in the swarm until the user manually disconnects
26 from the swarm or the BitTorrent client otherwise does the same.
27
28

1 19. The Video is currently registered in the United States Copyright Office (Copyright
2 No. PA0001751393). (See Exhibit A to Complaint.)

3 20. The torrent file used to access the copyrighted material was named in a manner that
4 would have provided an ordinary individual with notice that the Video was protected by the
5 copyright laws of the United States.

6 21. Plaintiff employs proprietary peer-to-peer network forensic software to perform
7 exhaustive real time monitoring of the BitTorrent-based swarm involved in distributing the Video.
8 This software is effective in capturing data about the activity of peers in a swarm and their infringing
9 conduct.

10 22. Defendant, using IP address 108.38.135.253, without Plaintiff’s authorization or
11 license, intentionally downloaded a torrent file particular to Plaintiff’s Video, purposefully loaded
12 that torrent file into his BitTorrent client—in this case, Azureus 4.7.0.2—entered a BitTorrent swarm
13 particular to Plaintiff’s Video, and reproduced and distributed the Video to numerous third parties.

14 23. Plaintiff’s investigators detected Defendant’s illegal download on
15 2012-08-04 at 05:07:58 (UTC). However, this is a simply a snapshot observation of when the IP
16 address was *observed* in the BitTorrent swarm; the conduct took itself place before and after this
17 date and time.

18 24. Defendant was part of a group of BitTorrent users or peers in a single swarm—a
19 process generally described above—whose computers were collectively interconnected for the
20 sharing of a particular unique file. The particular file a BitTorrent swarm is associated with has a
21 unique file “hash”—i.e. a unique file identifier generated by an algorithm. The unique hash value in
22 this case is identified as DBEE600A2FCED4FC9E28AB0261909522813BFC44 (hereinafter “Hash
23 Tag.”), and common to all of the participants in the swarm.

COUNT I – COPYRIGHT INFRINGEMENT

25. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if fully set forth fully herein.

26. Defendant’s conduct infringes upon Plaintiff’s exclusive rights of reproduction and distribution that are protected under the Copyright Act.

27. Defendant knew or had constructive knowledge that his acts constituted copyright infringement of Plaintiff’s Video.

28. Defendant’s conduct was willful within the meaning of the Copyright Act: intentional, and with indifference to the Plaintiff’s rights.

29. Plaintiff has been damaged by Defendant’s conduct, including but not limited to economic and reputation losses. Plaintiff continues to be damaged by such conduct, and has no adequate remedy at law to compensate the Plaintiff for all of the possible damages stemming from the Defendant’s conduct.

30. Plaintiff hereby reserves the right, pursuant to 17 U.S.C. § 504(c), to elect to recover statutory damages for each infringement, in lieu of seeking recovery of actual damages.

31. As Defendant’s infringement was intentional and willful, Plaintiff is entitled to an award of statutory damages, exemplary damages, attorneys’ fees, and the costs of the suit.

COUNT II – CONTRIBUTORY INFRINGEMENT

32. Plaintiff hereby incorporates by reference each and every allegation contained in the preceding paragraphs as if fully set forth fully herein.

33. When users in this unique swarm all possess the same infringing work with the same exact hash value, it is because each infringer possesses an exact digital copy, containing the exact bits and pieces unique to that specific file of Plaintiff’s original copyrighted work. The only way this happens in a BitTorrent swarm is through the sharing of these bits and pieces of each same

1 unique file, with the same unique hash value, between the users in the swarm. In essence, although
2 hundreds of users may be uploading the copyrighted work, a single user will receive only the exact
3 parts of a singular upload through that exact swarm, not a compilation of available pieces from
4 various uploads.

5 34. Defendant published the Hash Tag to the BitTorrent network.

6 35. Defendant downloaded, uploaded and distributed the Video to other BitTorrent users
7 through use of the hash-specified protocol in the unique swarm.

8 36. As each of the thousands of people who illegally downloaded the movie accessed this
9 illegal publication, they derived portions of their illegal replication of the file from multiple persons,
10 including, but not limited to, Defendant.

11 37. Defendant knew of the infringement, was conscious of his own infringement, and
12 Defendant was fully conscious that his actions resulted in multiple other persons derivatively
13 downloaded the file containing Plaintiff's Video.

14 38. The infringement by the other BitTorrent users could not have occurred without
15 Defendant's participation in uploading Plaintiff's copyrighted works. As such, Defendant's
16 participation in the infringing activities of others is substantial and contributed, for profit, to the
17 infringing activity of thousands of other peers over the Internet across the world.

18 39. Defendant profited from this contributory infringement by way of being granted
19 access to a greater library of other infringing works, some of which belonged to Plaintiff and some
20 of which belonged to other copyright owners.

21
22
23
24 **COUNT III – NEGLIGENCE**

25 40. Plaintiff hereby incorporates by reference each and every allegation contained in the
26 preceding paragraphs as if fully set forth fully herein.

27
28

1 41. Defendant accessed, or controlled access to, the Internet connection used in
2 performing the unauthorized copying and sharing of Plaintiff's Video, proximately causing financial
3 harm to Plaintiff.

4 42. Defendant had a duty to secure his Internet connection. Defendant breached that duty
5 by failing to secure his Internet connection.
6

7 43. Reasonable Internet users take steps to secure their Internet access accounts
8 preventing the use of such accounts for an illegal purpose. Defendant's failure to secure his Internet
9 access account, thereby allowing for its illegal use, constitutes a breach of the ordinary care that a
10 reasonable Internet account holder would do under like circumstances.

11 44. In the alternative, Defendant secured his connection, but permitted an unknown third
12 party to use his Internet connection to infringe on Plaintiff's Video. Defendant knew, or should have
13 known, that this unidentified individual used Defendant's Internet connection for the aforementioned
14 illegal activities. Defendant declined to monitor the unidentified third-party infringer's use of his
15 computer Internet connection, demonstrating further negligence.
16

17 45. In the alternative, Defendant knew of, and allowed for, the unidentified third party
18 infringer's use of his Internet connection for illegal purposes and thus was complicit in the
19 unidentified third party's actions.
20

21 46. Upon information and belief, Defendant's failure to secure his Internet access account
22 directly allowed for the copying and sharing of Plaintiff's Video over the BitTorrent protocol
23 through Defendant's Internet connection, and interfered with Plaintiff's exclusive rights in the
24 copyrighted work.

25 47. Upon information and belief, Defendant knew, or should have known of, the
26 unidentified third party's infringing actions, and, despite this, Defendant directly, or indirectly,
27 allowed for the copying and sharing of Plaintiff's Video over the BitTorrent protocol through
28

1 Defendant's Internet connection, and interfered with Plaintiff's exclusive rights in the copyrighted
2 Video.

3 48. By virtue of his unsecured access, Defendant negligently allowed the use of his
4 Internet access account to perform the above-described copying and sharing of Plaintiff's
5 copyrighted Video.
6

7 49. Had Defendant taken reasonable care in securing access to this Internet connection, or
8 monitoring the unidentified third-party individual's use of his Internet connection, such
9 infringements as those described above would not have occurred by the use of Defendant's Internet
10 access account.

11 50. Defendant's negligent actions allow others to unlawfully copy and share Plaintiff's
12 copyrighted Video, proximately causing financial harm to Plaintiff and unlawfully interfering with
13 Plaintiff's exclusive rights in the Video.
14

15 **JURY DEMAND**

16 51. Plaintiff hereby demands a jury trial in this case.

17 **PRAYER FOR RELIEF**

18 **WHEREFORE**, Plaintiff respectfully requests Judgment and relief as follows:

19 1) Judgment against Defendant that he has: a) willfully infringed Plaintiff's rights in
20 federally registered copyrights pursuant to 17 U.S.C. § 501; and b) otherwise injured the business
21 reputation and business of Plaintiff by Defendant's acts and conduct set forth in this Complaint;

22 2) Judgment in favor of the Plaintiff against Defendant for actual damages or statutory
23 damages pursuant to 17 U.S.C. § 504, at the election of Plaintiff, in an amount to be ascertained at
24 trial;
25
26
27
28

1 3) Order of impoundment under 17 U.S.C. §§ 503 & 509(a) impounding all infringing
2 copies of Plaintiff's audiovisual works, photographs or other materials, which are in Defendant's
3 possession or under his control;

4 4) On Count II, an order that Defendant is jointly and severally liable to the Plaintiff in
5 the full amount of Judgment on the basis of a common law claim for contributory infringement of
6 copyright; for an award of compensatory damages in favor of the Plaintiff and against Defendant,
7 jointly and severally, in an amount to be determined at trial;

8 5) On Count III, an order that Defendant is jointly and severally liable to the Plaintiff in
9 the full amount of Judgment on the basis of Defendant's negligence in allowing an unidentified third
10 party access his Internet account and, through it, violate Plaintiff's copyrighted works; for an award
11 of compensatory damages in favor of the Plaintiff and against Defendant, jointly and severally, in an
12 amount to be determined at trial;

13 6) Judgment in favor of Plaintiff against the Defendant awarding the Plaintiff attorneys'
14 fees, litigation expenses (including fees and costs of expert witnesses), and other costs of this action;
15 and
16

17 7) Judgment in favor of the Plaintiff against Defendant, awarding Plaintiff declaratory
18 and injunctive or other equitable relief as may be just and warranted under the circumstances.

**UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA**

NOTICE OF ASSIGNMENT TO UNITED STATES MAGISTRATE JUDGE FOR DISCOVERY

This case has been assigned to District Judge Dolly Gee and the assigned discovery Magistrate Judge is John E. McDermott.

The case number on all documents filed with the Court should read as follows:

CV12- 7386 DMG (JEMx)

Pursuant to General Order 05-07 of the United States District Court for the Central District of California, the Magistrate Judge has been designated to hear discovery related motions.

All discovery related motions should be noticed on the calendar of the Magistrate Judge

NOTICE TO COUNSEL

A copy of this notice must be served with the summons and complaint on all defendants (if a removal action is filed, a copy of this notice must be served on all plaintiffs).

Subsequent documents must be filed at the following location:

Western Division
312 N. Spring St., Rm. G-8
Los Angeles, CA 90012

Southern Division
411 West Fourth St., Rm. 1-053
Santa Ana, CA 92701-4516

Eastern Division
3470 Twelfth St., Rm. 134
Riverside, CA 92501

Failure to file at the proper location will result in your documents being returned to you.
